“Walk Thru the Bible”

February 27th-Coming Home- Return from Exile

Open questions—

1. What shocked you when you go “back home”? What is a place you’ve heard a lot about, but were taken back a bit when you actually went there?

Dig questions-

1. How long were they in exile?

2. Did it happen all at once? Who led them back and what did they accomplish? What books discuss the return from exile?

3. What were some problems they encountered? How did God help them overcome?

Reflect Questions-

1. Has there ever been an “exile” in your life? How did God bring you back?

2. What is the way to avoid an exile in our lives?
