“Exodus to the Conquest--The Journey of Promise”

Exodus-Joshua

***Open questions—***

1. What is the best journey you have ever taken? Hardest? Longest? First you can remember? Most recent?
2. What’s the farthest distance you have ever walked? Could you/would you do it again?

***Dig Questions—***

1. Why is it called, “the promised land”? Who made the promise and to whom?
2. How long did it take for that promise to be fulfilled?
3. How far did they walk and how long did it take? Did it have to take that long?
4. Who started the journey that didn’t get to complete it, and why?
5. What amazing things did God make happen for the children of Israel during the entire journey?

***Reflect questions—***

1. How long have you been on your “journey”?
2. Are you more like Joshua and Caleb, or the other 10 spies on your personal journey? What makes you want to quit, or at least grumble and complain?
3. What motivates you to keep going, to stick to it?
