“Walk Thru the Bible”

February 13<sup>th</sup>- “Don’t Get Carried Away”—the Exile

***Open questions—***

1. Is there a time in your life where you got a bit “carried away”? Where do you feel the most comfortable just letting go and getting carried away a bit?

***Dig questions-***

1. What is “the exile” and why would God allow that for His chosen people?

2. Was this foretold? Were they warned it was coming?

3. To where were they “carried away”? Did it happen more than once?

4. How long were they there?

5. Were they given any hope while they were there to get through it?

***Reflect questions-***

1. Does God ever send His people through this today? Where is the hope?
